**RE: *The Wave Studio, LLC v. General Hotel Management Ltd. et al.,***  
**Case No. 7-13-cv-09239-CS-VR**

Dear Judge Reznik:

We write pursuant to the Court's April 5, 2024 Order (Dkt. 361) directing Qatar Airways to provide a status update no later than April 19, 2024 concerning its insurance information (including reservation of rights letters).

Qatar Airways is grateful for the additional time to determine if there is any insurance coverage for Plaintiff's claims. To date, despite continued investigation, Qatar Airways has not identified applicable insurance and does not anticipate it will locate any applicable insurance. Should there be any update, Qatar Airways will promptly notify the Plaintiff and the Court.

Qatar Airways also respectfully reiterates and reserves its objections based on personal jurisdiction.

Sincerely,

**Sapna Palla**
